

Arbat

Description

Refined cabinet with a structure made in Italian poplar block-board, veneered with real Oak or Walnut wood, with a 45° assembly. The inside structure is finished in matte lacquered and it includes shelves in white glass with edges covered in Saddle-Leather. This elegant piece also features two doors in solid wood with smoked glass and in-house designed brass hinges for 270° door opening. It also includes handles in cast brass, refined by hand, with a recessed metal plate. The base is made of brass.

Available optionals:

- Inner back clad in brass.
- Inner drawer unit with two drawers covered on the front with Saddle-Leather featuring fully synchronized slide technology and a soft-close damping system.
- Inside touch activated LED lighting.

Made in Italy.
