

## *California*

### *Description*

Refined nightstand with a structure made in Italian poplar block-board, veneered outside and inside with real European or exotic woods, with a 45° assembly.

The base is made in brass and the handles are made in cast brass, refined by hand.

This elegant piece features two drawers with fully synchronized slide technology and a soft-close damping system.

The California nightstand is also available in a dresser version, which includes four drawers.

Made in Italy.
