

Chanel

Description

Refined cupboard with a top and structure made in Italian poplar block-board, veneered with real European woods with same finish for the outside and the inside, with a 45° assembly. The base is made of hammered cast brass, refined by hand.

This elegant piece features drawers with fully synchronized slide technology and a soft-close damping system.

It is also equipped with inside LED lighting with door opening switch.

The amount of doors, wooden drawers (with Saddle-Leather detail) and bronzed glass shelves varies depending on the size of the cupboard.

Available optional:

-Top in marble.

Made in Italy.
