

Esencial

Description

Refined nightstand and dresser with a structure made in Italian poplar block-board, veneered outside and inside with real European or exotic woods, with a 45° assembly.

The base and the handles are made in brass.

The drawers feature a fully synchronized slide technology and a soft-close damping system. The nightstand version includes two drawers and the dresser version is equipped with four drawers.

Optional top insert in marble available for sizes "A" and "B".

Made in Italy.
