Description

High-end bar unit with a structure made in Italian poplar block-board, veneered with real European or exotic woods with same finish for the outside and the inside, with a 45° assembly. The handles and the base are made of metal.

The inner sides are covered in copper sheets and the inner back panel is backlit in white glass.

This elegant piece is equipped with one shelf in extra-clear glass, three drawers with the fronts covered in Saddle-Leather, along with glass holders covered in the same finish.

Additionally it has doors with in-house designed brass hinges for 270° door opening.

Up-charge for doors with glossy finishes (matte finish for outside and inside cabinet structure).

Available optionals:

- 1 inner door covered in Saddle-Leather for fridge unit.
- Inside LED lighting with door opening switch (for lower storage unit).
- Inner back panel in marble.

Made in Italy.
