Description

High-end sideboard with a top, structure and base made in Italian poplar block-board, veneered outside with real European or exotic woods. The inside is made in real natural maple wood with a 45° assembly. The doors are adorned with a relief metal pattern.

This elegant piece features two doors with 180° opening and handles in cast brass with Bronzed finish, refined by hand. It also includes one bronzed glass shelf and a drawer unit with four drawers, each covered in saddle-leather on the front. The drawers are equipped with fully synchronized sliding technology and a soft-close damping system.

Available optional: Inside LED lighting with door opening switch.

Made in Italy.
