

Milano

Description

High-end sideboard with a top and structure made in Italian poplar block-board, veneered outside with real European or exotic woods. The base and the handles are made in brass. The inside is made with real natural maple wood with a 45° assembly.

This elegant piece features lateral L-shaped doors with 180° opening, along with upper drawers in brass and deep drawers with fully synchronized sliding technology and a soft-close damping system. The amount of doors and drawers varies depending on the size of the sideboard.

Available optionals: Top insert in marble, inside LED lighting with door opening switch and an extra shelf in extra-clear glass.

Made in Italy.

Finishes & Materials
