

Nelson

Description

Refined nightstand and dresser with a structure made in Italian poplar block-board. The outside can be veneered in real European or exotic woods (with the inside made of natural maple wood), or it can be covered in leather (with the inside veneered in oak). The base and the handles are made in brass.

The drawers feature a fully synchronized slide technology and a soft-close damping system with in-house designed hinges for 45° assembly doors.

Size "A" includes two drawers, size "B" includes three drawers and size "C" is equipped with one door and three drawers.

Made in Italy.

Finishes & Materials

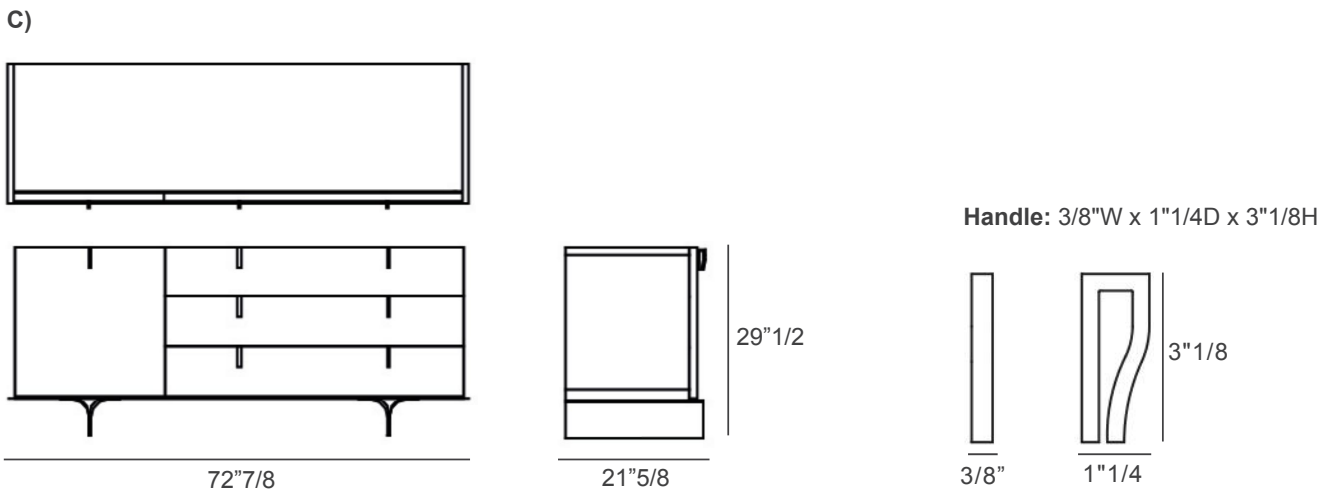

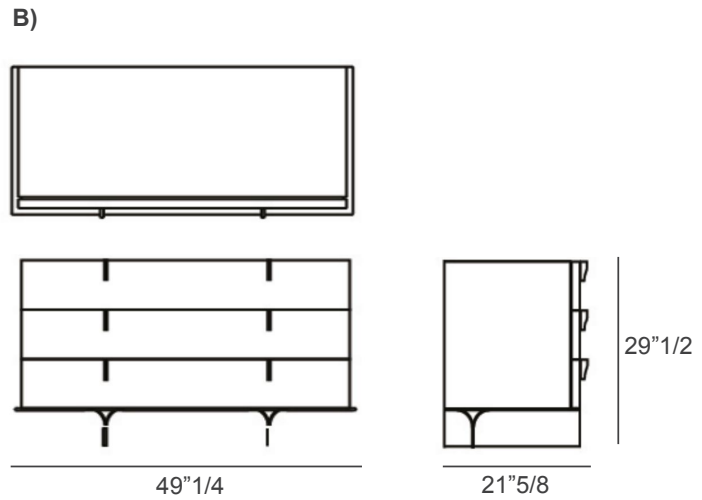

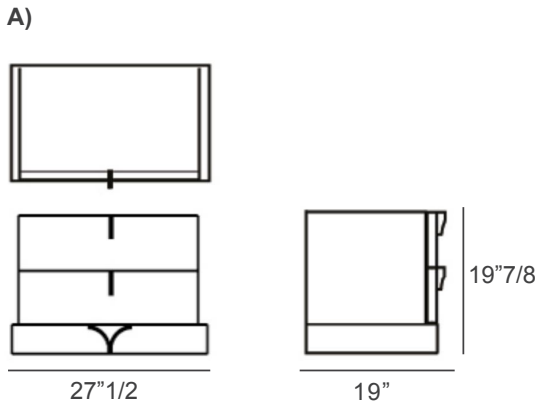

Structure: Veneered wood or covered in Leather.
