

## Tree

### *Description*

High-end cabinet with a structure made in Italian poplar block-board with matte lacquered finish for the outside and the inside.

The doors are made in matte or glossy lacquered with a central detail in Walnut or Ashwood.

This elegant piece features feet in hammered cast brass, refined by hand, and it also includes shelves and in-house designed hinges in brass.

The Tree cabinet is also available in a bar unit version, which is equipped with a mirror on the inside back, two shelves with brass details and one shelf in extra-clear glass.

Additionally, it has two drawers with the fronts covered in Belting Leather, along with a marble top and inside LED lighting with door opening switch.

Available optionals for the cabinet version: Inner back in bronzed mirror and LED lighting with door opening switch.

Made in Italy.
