

Margot

Design: Roberta Vitadello

Description

Wall lamp in crystal and artistic glass. Lampshades in anthracite fabric. Supporting structure in metal with matt black finish. Decorative details in light gold metal finish and glass / crystal drops and beads.

The Margot collection is inspired by the beauty and rarity of a pearl: the name comes from margherita and wants to bring beauty, light and value to those who receive it.

Margot is a micro-architecture, complete and perfect, with a timeless design that reinterprets the most contemporary trends. Made in Italy.
