

Pulsa

Design: Danilo De Rossi

Description

Suspension lamp with shaded white artistic blown glass. Metal structure with iron grey finish. Offered with 20 pendants.

Ethereal and majestic, Pulsa Spira represents in the form of light the twirling of a maple seed in the air. The blown glass elements are arranged in a spiral and diffuse the light from LED sources and thanks to it Pulsa generate suggestive plays of light and shadows. Made in Italy.

Light source (110V):

LED: 20W + 16W - integrated non-replaceable LED module
Lumen: 3700 - **Color Temperature:** 3000K - **CRI:** >80
No dimmable driver included

Dimensions

Ø59" x 17" - 30"5/8H
