

## Rosè

Design: Danilo De Rossi

### Description

Chandelier consisting of a round metal structure, which supports 8 blown transparent or shiny coating glass diffusers.

Part of a lighting collection that interprets with an unusual and ironic look the light in the environment, playing with the sinuous shape and its sparkling finishes.

The iconic Rosè collection is inspired by the classic silhouette of the wine glass, reinterpreted in an unusual way in the form of a lamp. Made in Italy.
