

Rosè

Design: Danilo De Rossi

Description

Suspension lamp made up of a round metal structure, from which transparent or shiny coating blown glass diffusers hang. Part of a lighting collection that interprets with an unusual and ironic look the light in the environment, playing with the sinuous shape and its sparkling finishes. Offered with a single pendant, in 2 different sizes, or with 3, 4 or 7 pendants.

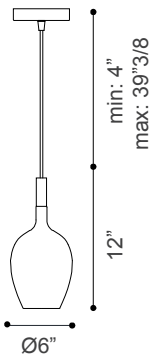

The iconic Rosè collection is inspired by the classic silhouette of the wine glass, reinterpreted in an unusual way in the form of a lamp. Made in Italy.
