

Getlucky

Design: Patricia Urquiola

Description

Chair with a backrest that has been adapted to the frame of a solid wooden structure. Comfortable, generously-sized and welcoming, Getlucky is a chair that adds a strong, contemporary feel to a dining, residential or public space.

Legs in varnished ash wood. Backrest in cold injected polyurethane with an internal steel frame and seat in polyurethane foam with differentiated density, with an internal wooden structure. The cover, available in fabric or leather, is not removable. Made in Italy.

Dimensions

24"W x 23"5/8D x 30"H

Seat height: 19"1/4
