

## Gogan

*Design: Patricia Urquiola*

### Description

Coffee table with top available in tempered, etched, varnished extra-clear glass, 1/2" thick, or in polished marble, 7/8" thick. Legs in wood. **FSC® Certified.**

The Gogan collection is completed with these coffee tables in various sizes, which recall organic shapes and are characterized, like the sofa, by the buttresses of the structure.

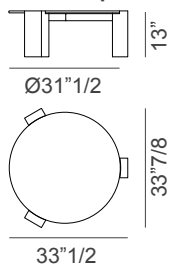

The shapes are in fact reminiscent of stones sculpted by wind and water, solid but at the same time soft. A comfortable piece of furniture to place next to your sofa or armchair. Made in Italy.
