

Loveseat

Design: Patricia Urquiola

Description

Lounge chair cold injected polyurethane with an internal steel frame. Ash wood varnished feet with height adjustable glides. The Loveseat collection covers are removable. Offered in the smooth or quilted version.

Loveseat has a strong, contemporary character. Bold and independent, it's the perfect stand-alone piece, but can also be grouped with other chairs for use in public or community spaces. Made in Italy.

Dimensions

39"3/8W x 37"3/8D x 24"3/8H
Seat height: 17"
