

Mathilda

Design: Patricia Urquiola

Description

Stool with structure in ash or oak wood*. Seat and backrest covered with polyurethane foam with different densities. Armrest covers with leather or fabric bands or with woven rope. Mathilda covers are not removable.
*FSC® Certified.

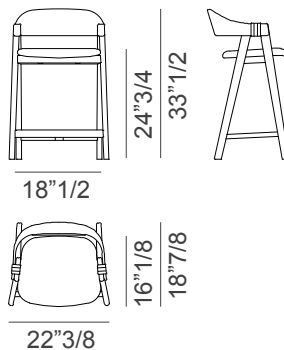

Mathilda is a modern project in the architectural sense, in the proportional relationship between the whole and the detail. The idea is simple, perfect for the function for which it is reserved: two trestles confer solidity and belonging, they support the seat lending themselves simultaneously as supports for the backrest. Made in Italy.
