

# Mathilda

*Design: Patricia Urquiola*

## Description

Fixed table with top in MDF veneered in ash or oak\* wood, base in solid oak. Gliders in polypropylene with interchangeable felt/polyamide pads. An everyday object, a known shape acquired from collective memory, of which it bears the familiar aspect, the trace of a correlation. Mathilda is a modern project in the architectural sense, in the proportional relationship between the whole and the detail. Made in Italy.
