

## Pacific

*Design: Patricia Urquiola*

### Description

Lounge chair with cold injected polyurethane and polyester fiber with an internal steel frame. Glides in black polypropylene. Fabric cover. The Pacific collection creates intimacy in the almost “protective” seat, for an enveloping idea of comfortable relaxation. With its round and oversized shapes, it evokes the relaxed and laid-back atmospheres of the American West Coast, from which it takes its name. The soft shapes are enhanced and defined by the total absence of sharp edges and by the “couture” details. Made in Italy.
