

ROWS

Design: Patricia Urquiola

Description

Rectangular fixed table, with linear forms and clear-cut symmetries, part of a geometrical and minimalist collection, expressing a refined artistic concept. This table shows a strong contrast between the solidity of the structure made in MDF veneered oak, the graphic effect of the surfaces and the linearity of the top, available in wood (matching the structure), in back-painted glass or in marble. This vertical version, designed with a nod to classical architecture, brings to mind the fluting of a column. Made in Italy.
