### Description

Round fixed table, with linear forms and clear-cut symmetries, part of a geometrical and minimalist collection, expressing a refined artistic concept. This table shows a strong contrast between the solidity of the structure made in MDF veneered oak, the graphic effect of the surfaces and the elegance of the top, available in wood (matching the structure), in back-painted glass or in marble.

Also, as an optional a Lazy Susan with rounded marble top with a rotating mechanism and non-slip pads is available. Its placement on the table surface (only for size B) is at the user's discretion and no permanent fixing systems are provided. Made in Italy.
