Design: Studio E-GGS

Description

A bed that tells the story of how we and our homes have changed. The padded headboard, generous and soft like the back of a sofa, reminds us that the bedroom is no longer just a room for sleeping, but a space to be lived all day long between a book, a computer or a cup of coffee: working tools and relaxing companions to be stored in the special side tray that becomes a comfortable support surface. Non removable cover. Orthopaedic slatted base included. Mattress and cushions not included. Firwood structure.

Made in Italy.
