

Mate

Design: Zaven

Description

In English slang, "mate" is the friend you can always count on. Here, it becomes the faithful support for hosting friends, family, or unexpected guests without sacrificing the comfort and refined aesthetics of practical and functional design. Mate is the ideal choice for any environment and situation: lightweight and compact, it can be easily positioned where needed and transforms into a comfortable bed with just a few simple movements. The generous and enveloping proportions of the sofa are accentuated by the finishes that provide a gentle sensation of softness in all color variations, designed to integrate into different settings and decorating styles. Removable cover. Orthopaedic slatted frame with comb included. **Two 11"7/8 x 27"1/2 cushions included.** Made in Italy.
