

Loveland

Design: Patricia Urquiola

Description

Sectional with wooden structure covered with polyurethane foam in differentiated densities and polyester fiber. Armrests in cold injected polyurethane with an internal steel frame. Ash wood varnished feet. The Loveland collection covers are removable by disassembling the armrests and the backrest. The configured elements are fixed, it is not possible to remove/add armrests to the created versions.

Offered in different versions: with or without armrests, with long or short back and with smooth or quilting finish. A sophisticated sofa with wonderfully soft and comfortable seats and tubular steel runners with solid ash feet positioned asymmetrically to the edges of the seat. Made in Italy.

Note: In the technical drawings, the dotted lines indicate the positioning of the feet.
