Back part

Description

Lounge chair cold injected polyurethane with an internal steel frame. Black polypropylene glides screwed to the structure. The M.A.S.S.A.S. collection fabric covers are removable. The fabrics used for this collection are bonded with polyester fiber and polyurethane to provide special support to the upholstery.

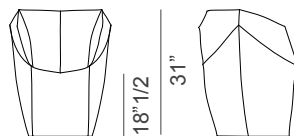

Blunt blocks rounded and smoothed by some imaginary blade. Geometric order is broken, swept away by a movement, a line which follows the contour. The different faces reveal veins formed by stitching, at times as visible as tacking, at others disappearing. The outer shape seems to be independent from the inner frame and padding. Made in Italy.

Dimensions

Size A: 26³/₄W x 25⁵/₈D x 31¹/₂H
Seat height: 18¹/₂

Size B: 31¹/₂W x 27¹/₂D x 32¹/₄H
Seat height: 18¹/₈

Size A

Size B
