

Cloud 21620 / 21621

Description

Suspension lamp with structure in steel with hammered effect. A design masterpiece inspired by the grace of clouds, this lamp transforms spaces into scenes of pure contemporary elegance. Crafted with exquisite materials and impeccable finishes, Cloud is not just a luminous work of art but also a symbol of enduring quality. Its indirect light creates enchanted atmospheres, enveloping every corner in a warm embrace. The compositional flexibility allows for custom arrangements of the cloud forms, turning your space into a starry sky of design. Cloud is the ideal choice to illuminate any space with sophistication. Made in Italy.
