

## Helo 21631

### *Description*

Floor lamp with modern elegance, featuring a refined design that blends high-quality materials and distinctive style.

A metal tube rises majestically, culminating in a handmade matt white blown glass sphere wrapped in a metal sheet hood that can be adorned with a gold or silver leaf finish on the inside. A refined floor lamp perfect to position it in your space for a touch of contemporary glamour. Made in Italy.

**Light source:** 1xE26 13W LED tubular
