

## Otto 21664 / 21665

### *Description*

Wall lamp that captures attention with its geometric elegance. Crafted with hammered metal, this creation combines the robustness of design with high-quality craftsmanship. The structure, with a half octagonal shape, accommodates both internal and external lights, diffusing an enveloping light that highlights the hammered texture of the metal. The combination of internal and external lights creates a play of suggestive shadows, enriching the surrounding atmosphere. For an extra touch of sophistication, small LEDs are also positioned under the structure, adding subtle ambient lighting. Made in Italy.
