

Shadows 21675

Description

Floor lamp where its graceful shapes and distinctive elements tell a story of unique design and attention to detail. Fine materials blend with artisanal craftsmanship, giving you not only light but also a piece of art that seamlessly integrates into your home.

This lamp is made of an elegant tubular glass diffuser with a stylish faceted raw ice effect and a hammered metal base.

Shadows collection is an invitation to transform every corner of your home into a space of inspiration, elegance, and radiant light. Made in Italy.
