

Twig 21626

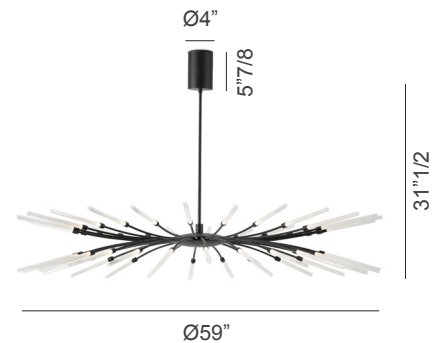

Description

This suspension lamp is an ode to elegance inspired by nature. Featuring a round design, this lamp showcases “arched arms” that gracefully curve, reminiscent of the beauty of growing branches. Each arm concludes with a frosted and transparent glass diffuser, adding a subtle sophistication to its natural charm.

Crafted with artisanal mastery, the Twig Model embodies the harmony between organic form and contemporary elegance. The “arched arms” create a dynamic profile, while the frosted and transparent glass terminals diffuse a gentle and enveloping light. This lighting piece captures the essence of natural beauty, bringing the enchantment of a forest into your home. Made in Italy.
