

Drum

Design: Giuseppe Viganò

Description

Sofa with structure composed of metal rods and profiles. Seat cushions padded with polyurethane foam in different densities. Backrest cushions in feathers with polyurethane inserts. Lower backrest cushions and armrest cushions in feathers. Pre-upholstery: polyester wadding. Removable upholstery for the seat, backrest, lower backrest and armrest cushions in fabric or leather. Upholstery of the external backrest structure in fabric or plain leather. Side panels only available in leather, either plain leather or woven leather. Printed leather cannot be woven. Details in metal, matt light platinum finish, and in walnut-stained solid wood. Made in Italy.
