

Awase

Design: Omi Tahara

Description

Awase accompanies rest and awakening with memories of a day away from the city, between relaxation and contact with nature. The bed structure embodies the meaning of Awase, a traditional Japanese technique that involves harmoniously blending different elements: thus, exquisite craftsmanship and novel material combinations introduce new elements, such as wicker, into urban life, evoking memories of that carefree day, while modern design resonates with a sense of nostalgia for nature and a deep respect for artisanal beauty. Ashwood structure. Mattress and cushions not included. Non removable headboard cover. Orthopaedic wooden slatted base included.

Made in Italy.

Finishes & Materials
