*Design: Molteni*

### *Description*

Cruz is an elegant, extendable table available with one, two or three extension leaves. Its practical extension mechanism allows the table to expand, revealing neatly folded leaves for a quick transformation into a larger surface.

Its clean lines make it ideal for versatile design that can be tailored to suit any interior, making each space unique thanks to its wide range of finishes and customizations.

The simple authenticity of a classic and contemporary design of Cruz pairs beautifully with many Bontempi Casa chairs and storage pieces, making it a perfect fit for those who appreciate functional style. While the top is made of one material, the extension leaves can be made of a different one. Made in Italy.
