

## Victor

### *Description*

The effect is dynamic and light, nearly bestowing a novel material essence upon marble. Sculptural, exclusive, and defined by the lines that sculpt the marble monolith: the Victor table chooses the ancient elegance of a timeless and highly prized material. It translates the canons of contemporary aesthetics with oblique cuts and masterful joints between the legs and top. Made in Italy.

### *Finishes & Materials*

**Top & legs:** Marble.

**Details:** Metal.

## Dimensions

**Round Size A:** Ø82"5/8 x 29"1/2H

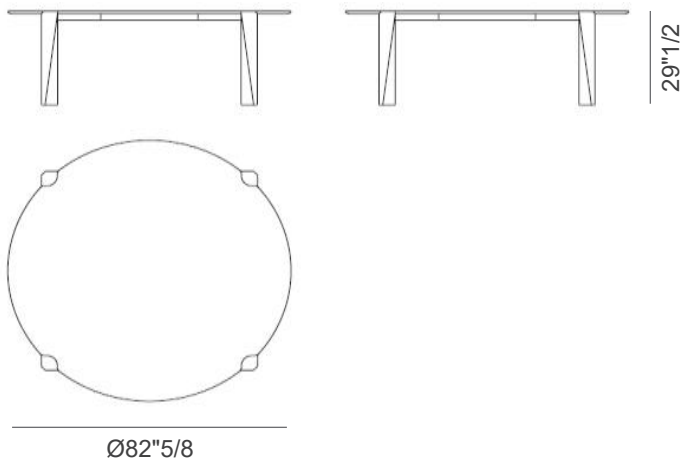

**Square Size A:** 72"7/8W x 72"7/8D x 29"1/2H

**Rectangular Size A:** 86"5/8W x 47"1/4D x 29"1/2H

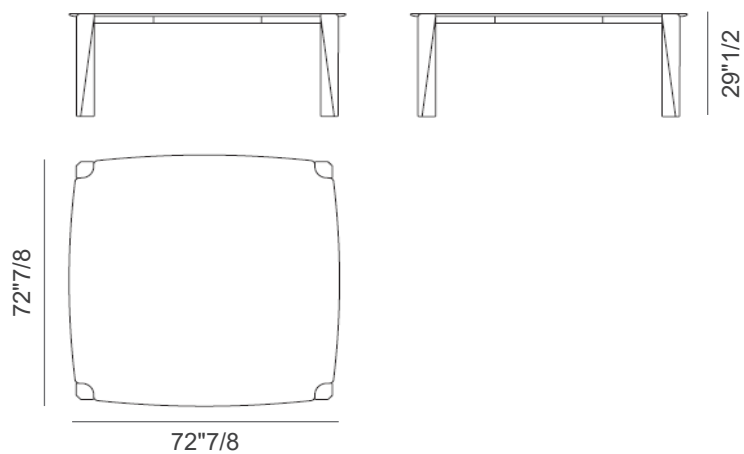

**Rectangular Size B:** 98"3/8W x 47"1/4D x 29"1/2H

**Rectangular Size C:** 114"1/8W x 47"1/4D x 29"1/2H
