

## Albino

*Design: Salvatore Indriolo*

### *Description*

The elegant Albino side table. The name refers to Franco Albini and to his TN6 Cicognino, produced back in 1952. Albino features a high-end metal structure on three legs, one of which protrudes above the support plane to hold an AC or battery-powered LED torch which may be freely positioned on the mounting metal frame with a magnet. The premium wooden tray may be detached from the structure, thus providing multiple utilization options. Made in Italy.

### *Finishes & Materials*
