

## Bifronte

*Design: Sth*

### *Description*

The elegant Bifronte Nightstand is a perfect addition to any master bedroom. This excellent piece of furniture comes with the structure in high-end glass and the shelf in premium wood. The drawer completes the look and the front is in lacquered or wood. The Ripples bench by Toyo Ito, winner of the 2004 Golden Compass, has blossomed into a collection of different furniture complements.
