

Planet

Description

Executive leather desk with drawers, mostly made by massive wood and curved birch plywood. The upholstery is natural leather, a wide range of leathers are available in "Mascheroni Leather Colour System" matched with wood at sight. The fine handmade refinish is the distinguishing feature of Planet's collection. On request it can be customized with extension on either the sides. Available also the "Limited Edition" version desk with wooden top. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
