

Polo Pouf

Description

The real strength of the Polo project lies in its flexibility, the collection is in fact available in different versions: with wooden base, fixed steel base, swivel, swivel and height-adjustable, in the pouf and bar stool version. The collection in fact comes in different versions: wooden base, fixed steel base, just swivel, swivel and height-adjustable and also pouf and bar stool too. Available in all natural ox leathers of “Mascheroni Leather Colour System” collection. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
