

Prior

Description

Luxury meeting table. Supporting base made of curved plywood. Top made of multilayer wood and aluminum panels. Decorative and strengthening components made of steel. To try to understand its real essence, it should be compared to an haute couture dress or a luxury jewel, something like a unique piece created and completely hand-manufactured by the best skilled artisan masters. A high-end level system intended to represent offices of absolute prestige. Complete the range the elegant desk and the cupboard which provide a complete environment. Each Italian handmade Mascheroni product is marked with a plate engraved with the brand "Mascheroni srl Made in Italy" which certifies its authenticity.
