

Balloons 21600

Description

Ceiling lamp characterized by graceful slender metal arms, each arm culminates in a delicate matt white glass sphere, adding a touch of lightness and enchantment.

The spheres at the end of each arm, create a unique visual effect, diffusing light in a magical way and adding an element of playful elegance to the environment. This lamp is a sublime balance between organic shapes and finely crafted details. Made in Italy.

Light source: 24xG9 LED 4,5W
