

## Flat 21666 / 21667

### Description

Suspension lamp where every detail is handcrafted with hammered metal, giving each piece a unique texture and distinctive personality. The slender and sophisticated shape harmoniously complements the handworked metal, creating a design that captivates attention and adds a touch of sophistication to the surrounding environment. Clean lines and artisanal precision combine to bring forth a chandelier that is both a source of light and a contemporary work of art.

The hammered metal adds visual depth to the chandelier, creating a tactile surface that reflects the craftsmanship employed in its creation. The result is a perfect blend of modern design, exquisite materials, and high-quality craftsmanship. Available in two sizes. Made in Italy.
