

## Flow 21673

### Description

Suspension lamp that takes inspiration from the iconic American metal structures, embracing a circular shape that encapsulates industrial elegance. Its metal pendants, available in various finishes, add a touch of personality and versatility to the design.

The circular structure embodies the strength and sophistication of metal structures, while the pendants create a dynamic visual effect. Internally, the chandelier is equipped with LED lights that provide efficient and elegant illumination. Made in Italy.

#### Light source:

21x0,8W LED 4000K - 2835 lumen
