

Globe 21400

Description

Ceiling lamp consisting of a delicate metal stem from which 30 arms branch out culminating in circular diffusers housing the LED sources. Each diffuser is surrounded by a refined hammered metal frame. The stem, arms and canopy are made of smooth metal.

Globe and Circle are the names of 2 collections of lamps inspired by nature that seek the perfect shape, the circle, a geometric figure that transmits dynamism and movement. It has a strong magnetic power, completely devoid of any sense of disorder. Made in Italy.
