

Lighting Lab 21017

Design: Marco Innocenti

Description

Ceiling lamp with an intricate silhouette composed of a metal structure that branches out into 12 straight arms supporting the 24 grooved lampshades in white or clear glass.

Half of them face upwards, while the other half face downwards for a well-distributed projection of the light. Made in Italy.

Light source: 24xE26 13W LED

Dimensions

Ø33"7/8 x 49"1/4H (min.:29"1/2H)

Canopy: Ø4"3/4
