

# Lighting Lab 21031

## *Description*

Crafted by expert glassmakers, this ceiling lamp features an essential and distinctly modern silhouette consisting of a delicate metal stem from which 10 slanted arms branch out and culminate in spherical lampshades housing the 10 bulbs.

The spheres are made of high-quality transparent or white glass and sublimely diffuse the light into the surroundings. Made in Italy.

**Light source:** 10xE12 4W LED tubular

## *Dimensions*

Ø39"3/8 x 29"1/2H  
**Canopy:** Ø4"3/4
