

Lighting Lab 21032

Description

Ceiling lamp characterized by a playful and dynamic design, consisting of a delicate metal stem from which 6 arms branch out and culminate in spherical lampshades housing the 6 tubular LED sources.

The spheres are made of high-quality transparent or matt white glass and sublimely diffuse the light into the surroundings. Made in Italy.

Light source: 6xE12 4W LED tubular

Dimensions

41"3/8W x 13"3/4D x 33"1/2H

Canopy: Ø4"3/4
