

## Lighting Lab 21034

### *Description*

Hanging from fine metal wires, the outstanding element of this ceiling lamp is its balanced silhouette, which is composed of a straight metal bar from which 20 curved and cylindrical shapes branch out, culminating in numerous ellipsoidal diffusers made of transparent or matt white glass, each housing a tubular LED source. Made in Italy.

**Light source:** 20xE12 4W LED tubular

### *Dimensions*

59"W x 21"5/8D x 8"5/8H + 51"1/8 of cable  
**Canopy:** 2 x 7"7/8W x 2"D
