

Swing 21623

Description

Suspension lamp that enchants with its undulating form that evokes a dance of light and shadow. Each piece of this chandelier is crafted with hammered metal, ensuring that each specimen is unique and carries a distinctive character. The hammered surface gives the Swing Model a captivating texture, while the undulating shape creates suggestive plays of light. The lights, positioned both above and below, add depth to the structure, diffusing enveloping light that accentuates the unique beauty of hammered metal. Made in Italy.
