

Ayton

Design: Debonademeo

Description

Lounge chair where the strict lines of the support contrast with the soft curves of the upholstery, the smooth surfaces combine with soft fabrics, and the most precious leathers with refined yarns. The austerity of the frame, inspired by Nordic geometries of the '50s, fades into the informal comfort of the contemporary seat and backrest. Like a flying carpet, the structure rises from the ground in a horizontal plane as if in a shell that encloses a soft and welcoming heart. Available in different versions:

- . Single cover: upholstered in fabric or leather.
- . Bi-cover: structure covered in leather and seat and back cushions in fabric.

Made in Italy.

Technical information:

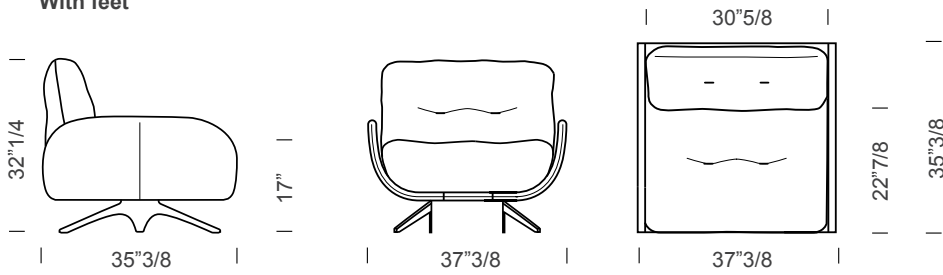

- . Structure: in curved metal tube.
- . Seat springing: frame in poplar plywood shaped and perforated to allow the exit of air from the feather pillow.
- . Backrest support: in metal tube with elastic straps.
- . Fillings: fixed backrest in density 25 Kg/m³ polyurethane foam and covered with feather quilt channelled in order to guarantee that the feathers remain neatly and constantly in place over time. The feather quilt gives roundness and softness. Fixed seat cushions in polyurethane foam density 35/30/25Kg/m³ covered with feather quilt channelled that gives softness to the cushion.
- . Detail: double stitching emphasized by compact zig zag embroidery.
- . Feet / Swivel base: in lacquered metal or galvanized with appropriate plastic glides.
