

Lisa

Design: Carlo Bimbi

Description

A classic lounge chair offered with fabric or leather cover with a magical touch given by unexpected details, result of the best school of Italian design where function, aesthetics and sustainability closely interact.

Lisa has a generous wooden structure containing soft padding characterized by striking upholstery details typical of a wise and ancient all-Italian tradition. Made in Italy.

Technical information:

- . Structure: solid wood.
- . Seat springing: elastic straps.
- . Fillings: fixed seat cushion in 35/25Kg/m3 density polyurethane foam and fibre 100gr to give extra roundness. Fixed back cushion in channelled feather to give roundness and softness.
- . Backrest detail: crossed waxed leather strap.
- . Structure: in lacquered oak or solid walnut Canaletto wood made by master craftsmen.
